

CLOUDXEUS CORPORATION

Service Level Agreement (SLA)

Document ID: CX-POL-002 | Version: 4.1 | Effective: January 15, 2026 | Owner: Service Delivery | Review cycle: Annual

1. Purpose

This agreement defines the service availability commitments and support response targets that CloudXeus Corporation provides to its customers.

2. Availability commitments

Plan	Monthly uptime commitment	Maximum monthly downtime
CloudXeus Basic	99.5%	~3 hours 39 minutes
CloudXeus Pro	99.9%	~43 minutes
CloudXeus Enterprise	99.99%	~4 minutes 23 seconds

Uptime is measured per calendar month across all CloudXeus regions, excluding scheduled maintenance windows announced at least 72 hours in advance.

3. Service credits

If CloudXeus fails to meet the monthly uptime commitment, customers are eligible for service credits applied to a future invoice:

Monthly uptime achieved	Service credit (Pro)	Service credit (Enterprise)
Below commitment, ≥ 99.0%	10%	15%
Below 99.0%, ≥ 95.0%	25%	30%
Below 95.0%	50%	100%

- Credit claims must be submitted within **30 days** of the incident.
- Credits are capped at 100% of the monthly subscription fee.
- Credits are not redeemable for cash. CloudXeus Basic plans are not eligible for service credits.

4. Support response targets

Severity	Definition	Pro first response	Enterprise first response
Severity 1	Service down, all users affected	1 hour	15 minutes
Severity 2	Major feature degraded	4 hours	1 hour
Severity 3	Minor issue, workaround exists	1 business day	4 hours
Severity 4	General question or request	2 business days	1 business day

CloudXeus Basic includes community support and email support with a 3-business-day response target for all severities.

5. Scheduled maintenance

Standard maintenance windows occur on the **second Sunday of each month, 02:00–06:00 UTC**. Emergency maintenance may occur with shorter notice when required to protect service integrity.

6. Exclusions

The SLA does not apply to outages caused by customer misconfiguration, third-party integrations outside CloudXeus control, force majeure events, or violations of the CloudXeus Acceptable Use Policy.
